## How do I request a federal 1135 waiver?

On Jan. 11, 2021, CMS updated their federal waiver process in [QSO-21-11-ALL](#). Effective immediately, facilities wanting to request a federal 1135 waiver may do so [on CMS' new web-based portal](#). (01/11/21)

CMS maintains a [Waiver and Flexibility](#) website where their most current waiver information may be found, including provider-specific fact sheets.

## How do I request a State waiver?

To submit request for a State-only waiver not listed here (covered by an existing governor’s proclamation), submit an email to [hfdwaivers@dia.iowa.gov](mailto:hfdwaivers@dia.iowa.gov) that includes the following information:

- Name, address, and type of facility;
- Rule(s) for which the waiver/variance is being requested;
- Briefly state why compliance with the rule(s) at would pose an undue hardship; and
- Briefly describe how the variance will not endanger the health, safety, or welfare of any resident or infringe upon the rights of any person. (04/07/20)

# Assisted Living Programs

## 1135 BLANKET WAIVERS

There are no 1135 blanket waivers that impact assisted living programs as they are State-certified only. (04/07/20)

## STATE OF IOWA WAIVERS

- **ASSISTED LIVING MANAGEMENT AND NURSING CLASSES.** Iowa Administrative Code rule 481—69.29(5) and (6), requiring a new program manager and delegating nurse in an assisted living program to complete an assisted living management class and/or an assisted living nursing class within six months of employment, is suspended. (04/07/20)
- **IN-PERSON VISITATION IN ASSISTED LIVING PROGRAMS.** Iowa Admin. Code rule 481—67.3(6) is suspended to the extent those provisions permit in-person visits with tenants in an assisted living program, so long as any in-person visitation is conducted in accordance with requirements published by the Iowa Department of Public Health and the Iowa Department of Inspections and Appeals. (06/25/20)
- **CHAPTERS 67 AND 69 RULEMAKING EFFECTIVE APRIL 15, 2020 (ARC 4976C).** New and revised rules in chapters 67 and 69 originally scheduled for implementation on April 15, 2020, were implemented on Jan. 1, 2021, with the exception of the medication manager requirement, which will be implemented on March 1, 2021. (01/11/21)

# Certified Nursing Assistants

## STATE OF IOWA WAIVERS

- **CERTIFIED NURSE AIDE TRAINING.** Iowa Admin Code rule 481—58.11(1)(i) provides that a nurse aide who has not completed the state-approved 75-hour nurse's aide program shall be required to participate in a structured on-the-job training program of 20 hours' duration. This regulatory provision is suspended to the extent that the individual has completed a comparable training course approved by the department of inspections and appeals or has completed at least 20 hours of the state-approved 75-hour nurse's aide program and the facility has documentation that it has implemented training and supervision measures to ensure the individual's competency in any tasks performed. (04/14/20)
- **CERTIFIED NURSE AIDE TRAINING—LICENSURE IN ANOTHER STATE.** Iowa Admin Code rule 481—58.11(1)(k), requiring that certified nurse aides who have received training other than the Iowa state-approved program must pass a challenge examination, is suspended to the extent that the

individual is able to demonstrate competency in skills and techniques necessary to care for residents' needs as required by 42 CFR § 483.35(c) and (d)(1)(i). (04/14/20)

- **CERTIFIED NURSE AIDE TRAINING—4 MONTH EMPLOYMENT LIMITATION.** Iowa Admin Code rule 441—81.13(19)(e)(2)(2) requires that a facility shall not use any person working in the facility as a nurse aide for more than four months unless that person has completed a training and competency evaluation program approved by the department of inspections and appeals. This provision is suspended to the extent that the individual is able to demonstrate competency in skills and techniques necessary to care for residents' needs as required by 42 CFR § 483.35(c) and (d)(1)(i). (04/14/20)
- **CERTIFIED NURSE AIDE TRAINING—NURSE AIDE REGISTRY.** Iowa Admin Code rule 441—81.16(5)(b)(2)(3) and (5)(c)(5)(2), requiring that the department of inspections and appeals shall remove certified nurse aides from the Iowa Direct Care Workers Registry if they have performed no nursing or nursing-related services for monetary compensation for a period of 24 consecutive months, is suspended to the extent that the individual is able to demonstrate competency in skills and techniques necessary to care for residents' needs as required by 42 CFR § 483.35(c) and (d)(1)(i). (04/14/20)
- **CERTIFIED NURSE AIDE TRAINING—NURSE AIDE TRAINING PROGRAMS.** Iowa Admin Code rule 441—81.16(3), requiring minimum standards for nurse aide training and competency evaluation programs the Department of Inspections and Appeals may approve, is suspended to the extent that the training is performed in accordance with regulations and waivers administered by the Centers for Medicare and Medicaid Services. ## STATE OF IOWA WAIVERS

- **PHYSICAL ENVIRONMENT.** In order to comply with the 1135 blanket waiver approval, the alternative locations must be approved by the State. In order to be approved by the State, the following must be submitted:
  - Provide the following information to the State Fire Marshal's (SFM) at [vasiljev@dps.state.ia.us](mailto:vasiljev@dps.state.ia.us):
    - Hospitals should consider utilizing buildings/venues that are protected by existing fire safety systems (sprinkler and/or fire alarm systems). These options should be used first if possible.
    - The 1135 waiver request for buildings that don't meet life safety code requirements will need to have the following information provided to the State Fire Marshal:
      - A layout of the building that shows important features such as exits, doorways, fire walls (if applicable), etc.;
      - Information on installed sprinkler and/or fire alarm systems, as applicable (where installed, testing paperwork);
      - Confirmation of fire extinguishers on site and their locations;
      - Information on what will be used for emergency power (generator/battery back-up systems); and
      - Fire safety/evacuation plan for the proposed site (including evacuation procedures).
  - Provide the following information to DIA at [christopher.dunn@dia.iowa.gov](mailto:christopher.dunn@dia.iowa.gov):
    - Type of service provided (e.g., COVID-19 positive, COVID-19 negative);
    - Location and type of space (e.g., hospital or non-hospital);
    - SFM review/approval of space;
    - Plan to address adequate space for patient, staff, equipment, and patient privacy. A floor plan if available. Adequate access to bathroom/necessities for ADLs (toilet, sinks, etc.);
    - Access to gasses and suction;
    - Connected to generator backup;
    - Bed increase above certificate of need, related to COVID-19 alternate site;
    - Security-controlled access plan;
    - Plan for coordination of communication/information e.g., EMS, parent hospital, IDPH, IDIA, LTC, home care, ambulatory care and families;
    - Plan to ensure staffing and adequate training for roles (i.e., OR RN functioning as med/surge RN);

- Plan to address supplies and materials are on hand before opening the site, adhering to infection-control practices; and continued process for maintaining supplies, materials and hand hygiene supplies;
  - Plan to address admission criteria, specific needs of at-risk populations, maintaining services for patients with chronic conditions requiring regular treatments e.g., dialysis patients and/or expectant mothers, or addressing significant change in condition (MET call, code, etc.);
  - Plan for nutritional support, pharmaceutical security, pharmacy provide oversight to medication/orders/medications not on-site, provision of lab and radiology services, environmental services, contaminated waste and decontamination area e.g., eye wash and shower, management plan for decedents; and
  - Determine if visitation should be restricted or stopped if threat is too high for patients and staff. Provide patients and families with information about stress responses, resilience, and provide mental health counseling. (04/07/20)
- **HOSPITAL PROVIDER OUTPATIENT BASED DEPARTMENTS IN THE PATIENT’S HOME.** Prior to providing services in a patient’s home as part of a provider-based hospital department, provide the following information to DIA at [christopher.dunn@dia.iowa.gov](mailto:christopher.dunn@dia.iowa.gov):
  - Hospital name;
  - Hospital CMS Certification Number (CCN);
  - Proposed department(s) to relocate to the patient’s home;
  - Approximate number of patients to be served in patient’s homes;
  - Plan to meet infection control requirements, if the hospital intends to provide in-person care instead of tele-presence visits; and
  - Plan to work with a Home Health Agency to determine the patient’s plan of care, if the patient is already receiving services from a Home Health Agency.

The hospital shall maintain a list of patients who receive services in their homes as part of a hospital outpatient department and which category of services they received (physical therapy, occupational therapy, speech therapy, diabetic education, etc.). This list shall be made available for DIA review, if requested. (06/02/20)

- **INSPECTOR QUALIFICATIONS.** Iowa Code § 135B.9(1)(a), requiring hospital inspectors be free of conflicts of interest, is suspended. (04/14/20)
- **LICENSURE OF DOCTORS AND MEDICAL STAFF.** Iowa Code § 135B.20(1) and Iowa Admin. Code rule 481—51.1, and any statute or rule using terms defined in those provisions, defining a “doctor” and “medical staff” as requiring all doctors and medical staff be licensed to practice in this state, is suspended to the extent that individual is licensed to practice in another state or in accordance with Section 37 of the Proclamation of Disaster Emergency issued on April 2, 2020.

Section 37 of the Proclamation of Disaster Emergency issued on April 2, 2020, suspends the regulatory provisions of Iowa Code § 147.10 and Iowa Admin. Code rules 653—9.13(6) and 9.14, rules 655—3.7(5), rules 645—261.8, and rules 645—326.9(8), and all other implementing administrative rules which prohibit the practice of medicine and surgery, osteopathic medicine and surgery, nursing, respiratory care, and practice as a physician assistant, by a licensee whose

license is inactive or lapsed. Suspension of these provisions is limited to licenses which have lapsed or expired within the five (5) years prior to this Proclamation and is further limited to the provision of medical and nursing care and treatment of victims of this public health disaster emergency and solely for the duration of this Proclamation. (04/14/20)

- **BACKGROUND CHECKS IN HOSPITALS.** Iowa Code § 135B.34 and Iowa Admin Code rule 481—51.41 require a hospital to complete a criminal history check prior to employment of an individual in a hospital. These regulatory provisions are suspended to the extent that a hospital may employ an individual once that criminal history check is submitted, pending completion. (04/14/20)
- **PHYSICAL SEPARATION BETWEEN A LONG-TERM ACUTE CARE HOSPITAL LOCATED WITHIN A GENERAL HOSPITAL.** Iowa Admin Code rule 481—51.4, requiring physical separation and distinction between a long-term acute care hospital located within a general hospital, is suspended to the extent that it is not feasible to maintain such separation. (04/14/20)
- **CLINICAL PRIVILEGES POLICIES.** Iowa Admin Code rule 481—51.5(4), requiring written criteria for the granting of clinical privileges, is suspended to the extent that policies shall not be required to be rewritten to accommodate waivers provided by the State or the Centers for Medicare and Medicaid Services. (04/14/20)
- **PATIENT RIGHTS AND RESPONSIBILITIES POLICIES.** Iowa Admin Code rule 481—51.6, requiring hospitals to adopt a statement of principles relating to patient rights and responsibilities, is suspended to the extent that policies shall not be required to be rewritten to accommodate waivers provided by the State or the Centers for Medicare and Medicaid Services. (04/14/20)
- **NURSING SERVICES – ORGANIZATION.** Iowa Admin Code rule 481—51.9(1), requiring the clear definition of authority, responsibility, and function of each nurse, is suspended to the extent that there is evidence that each nurse has been assessed competent in any area where they function. (04/14/20)
- **NURSING SERVICE – NURSING PROCESS.** Iowa Admin Code rule 481—51.9(2), requiring utilization of the nursing process, is suspended to the extent that it is not feasible to do so. (04/14/20)
- **NURSING SERVICES – LICENSURE OF NURSES.** Iowa Admin Code rule 481—51.9(4) requires all nurses employed in a hospital who practice nursing as a registered nurse or licensed practical nurse must hold an active Iowa license or an active license in another state and be recognized for licensure in this state pursuant to the nurse licensure compact in Iowa Code section 152E.1. These regulatory provisions are suspended to the extent that a nurse may also be employed if qualified for employment in accordance with Section 37 of the Proclamation of Disaster Emergency issued on April 2, 2020.

Section 37 of the Proclamation of Disaster Emergency issued on April 2, 2020, suspends the regulatory provisions of Iowa Code § 147.10 and Iowa Admin. Code rules 653—9.13(6) and 9.14, rules 655—3.7(5), rules 645—261.8, and rules 645—326.9(8), and all other implementing administrative rules which prohibit the practice of medicine and surgery, osteopathic medicine and surgery, nursing, respiratory care, and practice as a physician assistant, by a licensee whose

license is inactive or lapsed. Suspension of these provisions is limited to licenses which have lapsed or expired within the five (5) years prior to this Proclamation and is further limited to the provision of medical and nursing care and treatment of victims of this public health disaster emergency and solely for the duration of this Proclamation. (04/14/20)

- **NURSING SERVICES – STAFFING LEVELS.** Iowa Admin Code rule 481—51.9(8), requiring the nursing service to have adequate numbers of licensed registered nurses, licensed practical nurses, and other personnel to provide nursing care, to the extent that the hospital has made all reasonable efforts to maintain sufficient staffing levels. (04/14/20)
- **NURSING SERVICES – PERSONNEL POLICIES.** Iowa Admin Code rule 481—51.9(9), requiring written policies and procedures be established for the administrative and technical guidance of the personnel in the hospital and that each employee be familiar with those policies or procedures, is suspended. (04/14/20)
- **HOSPITAL MEDICAL RECORDS.** Iowa Admin Code rule 481—51.12, requiring hospital medical record and report maintenance, is suspended to the extent that records shall continue to be maintained as required by federal regulation. (04/14/20)
- **VERBAL AND STANDING ORDERS.** Iowa Admin Code rules 481—51.14(3), 51.14(4), and 51.15, requiring procedures for authentication of verbal orders and standing orders, is suspended to the extent that hospitals comply with federal regulation related to such orders. (04/14/20)
- **DIET MANUALS.** Iowa Admin Code rules 481—51.20(2)(d), requiring maintenance of a current diet manual, is suspended to the extent those manuals would be maintained at surge capacity sites. (04/14/20)
- **HOSPITAL EQUIPMENT.** Iowa Admin Code rule 481—51.22, requiring hospital equipment be selected, maintained and utilized in accordance with the manufacturer’s specifications, is suspended to the extent it is not feasible to do so. (04/14/20)
- **SEGREGATION OF PATIENTS’ BEDS.** Iowa Admin Code rule 481—51.24(1), requiring segregation of patients’ beds, is suspended to the extent hospitals take all reasonable precautions to provide for the prevention of cross-infections and the control of communicable diseases. (04/14/20)
- **TB TESTING.** Iowa Admin. Code rule 481—51.24(3), requiring a hospital perform a health assessment and screen and test an employee for tuberculosis pursuant to 481—Chapter 59, is suspended if it is not feasible for a hospital to do so, to the extent the hospital continues to assess new employees for infectious or communicable diseases and perform and document sign/symptom review of new health care workers and residents and places the health care worker or resident on a callback list to test as soon as possible. (04/14/20)
- **EMERGENCY SERVICE POLICIES.** Iowa Admin Code rule 481—51.30, requiring a hospital to have written policies and procedures specifying the scope and conduct of patient care to be provided in the emergency service, is suspended to the extent that policies shall not be required to be rewritten to accommodate this public health disaster emergency. (04/14/20)

- **MINIMUM STANDARDS OF CONSTRUCTION.** Iowa Admin Code rule 481—51.50, requiring minimum standards of construction for hospitals, is suspended to the extent that the Department of Inspections and Appeals and State Fire Marshal’s Office have approved the location as one that sufficiently addresses safety and comfort for patients and staff.
